

NOMINATIONS ARE OPEN FOR THE 2019 PROMOTING PARTNERSHIP WORKING IN THE NHS AWARD

The **HPMA Excellence Awards** recognise and reward outstanding work in healthcare human resource management.

This year, the **Social Partnership Forum** is proud to once again sponsor the Partnership Award. This prestigious award recognises examples of partnership working between employers and trade unions.

- Have you introduced an initiative that exemplifies the benefits of partnership working to overcome challenges and jointly develop solutions?
 - Is there strong evidence of partnership working from the outset?
- Does it demonstrate clear outcomes and has it made a real difference to patient care and influenced HR practice in healthcare and beyond?

If the answer is **yes**, then share it with us!

Deadline for entries is 5pm Wednesday 20 February 2019. Find more information on the **HMPA website**.
